

## INSTRUCTOR TRAINING SESSION

The Rookie Rugby Instructor training session will take participants through a series of Rookie Rugby practical activities that can then be used to train others in Rookie Rugby. After completing the training session participants will be able to train physical education teachers, parents, community members, and others on how to not only play the game, but also how to teach kids how to play the game. Through this effort we can help grow the game of rugby in the United States at the youth level.

**Rugby Texas** and **USA Rugby** will host a Rookie Rugby Instructor training session on the campus of Jesuit College Prep on Wednesday December 9<sup>th</sup>, 2009

### **Instructor:**

Erin Kennedy  
Youth Development Manager  
USA Rugby

### **Location:**

Jesuit College Preparatory School  
12345 Inwood Road  
Dallas, TX 75244
