Describe your program, facilities, commitment expectations, and any other details you think relevant:

Established in 1067 UB Rugby is one of the top rated rugby clubs in the country. UB fields three sides each week with two sides competing in NYS's Division 1 and Division 3 leagues. Excellent facilities with the largest playing pitch in the NYS Rugby Conference 100m x 67m. Artificial turf practice field are available for inclement weather, and use of the Varsity Football Stadium for Northeast Playoffs if needed. Athletic trainers available at all matches - (University Sports Medicine). New players are always welcome and many college freshmen with high school experience are first side players.
